Candidates should note that acceptance into the MA course does not guarantee a particular choice of exchange university for the third semester. The decision about where students will spend their exchange semester will be made when they arrive in Dijon in September 2019.

Any candidates who do not intend to take up their place for whatever reason should please inform David Bousquet ([david.bousquet\[at\]u-bourgogne.fr](mailto:david.bousquet@u-bourgogne.fr)) as soon as this is decided, so that this place can be made available for other candidates.

The other candidates who were interviewed and candidates who received administrative confirmation that their application was received on or before 26/04/2019 and whose names are not on this list have unfortunately not been successful in their application. They will receive written confirmation and explanation of this decision in due course.
