Under French law, the course certificate is an indispensable element, for consideration, subject to the payment of a fee, of the internship work in determining retirement benefits. Retirement pensions legislation (Law No. 2014-40 of January 20, 2014) grants students whose internship work is allocated a stipend the possibility of having such work validated within two calendar quarters, subject to the payment of a fee. The application is to be made by the student within the two years of the end of the internship, and requires the presentation of the internship certificate indicating the total duration of the internship and the total amount of the stipends paid. Specific information regarding the fee to be paid and the procedure to follow may be requested from the Social Security administration (Social Security Code, art. L.351-17 - Education Code, art. D.124-9).
