

# Provisional programme

9<sup>th</sup> International Workshop on Nitric Oxide and Cancer  
*Special focus on Inflammation and Therapeutics*  
(September, 8<sup>th</sup>-10<sup>th</sup>, 2025)

Maison des Sciences de l'Homme, Université de Bourgogne Europe, Dijon

**MONDAY, SEPTEMBER 8<sup>th</sup>, 2025**

**8h00-8h30** : Arrival and registration, coffee

**8h30-8h45** Greetings and opening session

Université de Bourgogne Europe / UMR1231 CTM : President/Director/representatives  
Local organizers and ISNOC executive committee

**8:45– 10:00** Lifetime achievement award

Introduction to keynote lecture

**9:00 – 10:00** Keynote lecture

**SESSION 1: Oxidative and inflammatory stress in tumor**

10h00-10h25 – speaker

10h25-10h45 - Coffee break

10h45-11h10 – speaker

11h10-11h25 – speaker

11h25-11h50 – speaker

11h50 – 12h00 Presentation of the NO-CANCER-NET - Doctoral Network – Marie Skłodowska-Curie Actions (MSCA) – Sharon Glynn – coordinator

11h50 – 12h00 *Flash poster presentations – NO CANCER NET Doctoral candidate 1 to 4 (1 slide – 120 sec)*

**12h10-13h30**: Lunch – poster session

**SESSION 2: Control of thiol-based redox signaling**

13h30-13h55 - speaker

13h55-14h20 – speaker

14h20-15h55 – speaker

15h55- 16h05 - *Flash poster presentations – NO CANCER NET DC5 to DC7 (1 slide – 120 sec)*

**16h05– 16h30** - Coffee break

16h30-17h00 ***Young investigator session*** : NO-dependent post-translational modification and cancer cell signaling

*2 selected oral presentations (8 min + 5 min questions/speaker)*

**SESSION 3: Immunometabolic effect of NO**

17h00-17h25 – speaker

17h25-17h50 – speaker

17h50-18h15 – speaker

**SOCIAL EVENT**

**TUESDAY, SEPTEMBER 9<sup>th</sup>, 2025**

**SESSION 4: NO, cell death and cancer immunotherapy**

8h30-8h55 – speaker

8h55-9h20 – speaker

9h20-9h45 – speaker

9h45-9h55 *Flash poster presentations – NO CANCER NET DC8 to DC10 (1 slide – 120 sec)*

9h55-10h25 - *Young investigator session*

*2 selected oral presentations (8 min + 5 min questions/speaker)*

10h25-10h55 - Coffee break

**SESSION 5: Angiogenesis, tumor and endothelial vascular disorders**

10h55-11h20 – speaker

11h20-11h45 – speaker

11h45-12h10 – speaker

12h10-12h40 *Young investigator session*

*2 selected oral presentations (8 min + 5 min questions/speaker)*

**12h40-14h00: Lunch – poster session**

**SESSION 6: NO influence on the tumor-immune landscape: reprogramming the tumor microenvironment**

14h00-14h25 – speaker

14h25-14h50 – speaker

14h50-15h55 – speaker

16h00-16h30 - Coffee break

**SESSION 7: Therapeutic targeting iNOS/NO delivery– Part I**

16h30-16h55 – speaker

16h55-17h20 – speaker

17h20-17h45 – speaker

DINER

WEDNESDAY, SEPTEMBER 10<sup>th</sup>, 2025

SESSION 8: Therapeutic inhibition of iNOS / NO delivery – Part II

9h00-9h25 – speaker

9h25-9h50 – speaker

9h50-10h15 – speaker

10h15-10h45 Coffee break

10h45-11h05 – speaker

Awards

Round-table discussion: “NO, Tumor Microenvironment Regulation, and Tumor-Specific Targeting: Challenges and Future Directions”

12h00 END OF MEETING
